MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence

FROM: [REDACTED]  
Director, Intelligence Community Staff

25X1

SUBJECT: Senior Management Conference - Week of 5 December 1983

1. In response to your commitment to follow the August off site meeting with a second conference dedicated to planning, we have prepared a conference agenda for your review (Tab A), and a letter of invitation to selected NFIC members (Tab B) should you approve. In addition to the proposed agenda, the complete package (binder) contains the View of the Future prepared by the NIC, the DCI Goals and Objectives dated February 1982, and a list of relevant National Intelligence Estimates. [REDACTED]

25X1

2. We are asking that each principal submit two or three implications for his organization that are suggested by the NIC's View of the Future and any other pertinent information or studies. We will organize the responses according to the agenda and distribute a full set of comments to everyone prior to the actual conference. Sharing these preliminary observations should promote good conversations early in the meeting. [REDACTED]

25X1

25X1

3. We plan to ask [REDACTED] Director of Planning at [REDACTED] to discuss [REDACTED] the Year 2000 on the first evening of the conference. [REDACTED] shares some of the characteristics that drive the Intelligence Community such as large capital investments in leading edge technologies with long development times. His discussion should provide a useful contrast to our own View of the Future, which will be presented the same evening. [REDACTED]

4. Finally, in addition to the Chairman of the NIC, we intend to invite selected NIO's to introduce each of the substantive discussions on the second day. The NIO's comments will be followed by an equally brief discussion by a selected principal of relevant implications as a lead into the general discussion by all participants along the format of the 5-6 August conference.

25X1 5. We are prepared to meet with you, the DDCI and each of the principals over the next few weeks to promote another successful off site meeting.
